

TCS

Company Description:

Tata Consultancy Services Limited (TCS) is the world-leading information technology consulting, services, and business process outsourcing organization that envisioned and pioneered the adoption of the flexible global business practices that today enable companies to operate more efficiently and produce more value.

We commenced operations in 1968, when the IT services industry didn't exist as it does today. Now, with a presence in 34 countries across 6 continents, & a comprehensive range of services across diverse industries, we are one of the world's leading Information Technology companies. Six of the Fortune top 10 companies are among our valued customers.

We are part of one of Asia's largest conglomerates - the TATA Group - which, with its interests in Energy, Telecommunications, Financial Services, Chemicals, Engineering & Materials, provides us with a grounded understanding of specific business challenges facing global companies.

Services and Solutions:

TCS is a leading IT services provider, with a wide breadth of services across the entire Information technology spectrum. To know more about how TCS can help you identify opportunities of improvement, build the roadmap to getting there & leverage technology to make it possible, read more about our services & solutions:

- Consulting.
- IT Services.
- BPO.
- IT Infrastructure Services.
- Engineering and Industrial Services.
- Product Based Solutions.

Culture:

At TCS we have an energetic and open workplace environment, and a collaborative culture that's based on teamwork. Pulling together is a central tenet of our work ethic.

Energetic and full of enthusiasm, we enjoy our day (and night) at work. Life at TCS is a stimulating and exciting experience. Not only do our offices have the best infrastructure and technology, our colleagues have a knack of working hard and partying harder.

If you'd like to spend your career in an extremely vibrant, stimulating and fun place, TCS is where you have to be. We take pride in adhering to the Tata 'code of conduct', which is in place across the entire Tata Group. The code is a means of upholding and strengthening the trust reposed on us by our various stakeholders, be it our customers or the wider society.

TCS is an equal-opportunity employer and TCSers come from many nationalities and speak many languages. And, since we believe in celebrating everything under the sun, you will find us singing carols at Christmas and doing the dandiya dance at Navrathri with equal enthusiasm.
